

Pangolin AI – Premium Landing Page Wireframe

1. HERO SECTION (Full Screen)

[Background] - Dark gradient (midnight blue → black) - Subtle animated network grid - Faint outline of a pangolin made of light

[Center Content] - Title: PANGOLIN AI - Subtitle: Quiet Intelligence. Relentless Protection. - Description: Supporting national security through intelligent analysis

[CTA Button] - "Discover Why Pangolin"

[Scroll Effect] - Pangolin slowly unrolls as user scrolls

2. WHY PANGOLIN (Split Section)

[Left] - High-res pangolin scale texture - Animated glow moving across scales

[Right] - Title: Nature's Silent Defender - Text block explaining symbolism

[Micro Animation] - Scales transform into data blocks

3. FEATURE SECTION (Scroll Panels)

Panel 1: DETECT

[Background] - Network graph visualization

[Content] - Title: Detect Hidden Networks - Description: AI reveals patterns in complex investigations

[Animation] - Nodes connecting in real-time

Panel 2: PROTECT

[Background] - Encrypted vault / shield

[Content] - Title: Secure Intelligence - Description: Locally secured AI protects sensitive data

[Animation] - Pangolin scales forming shield

Panel 3: ASSIST

[Background] - Analyst workstation UI

[Content] - Title: Empower Investigators - Description: Enhances decision-making and workflows

[Animation] - AI highlighting suspects and links

4. INTERACTIVE AI FLOW

[Center Visual] - 3D Pangolin model made of data cubes

[Scroll Steps] 1. Case Reports 2. Evidence 3. Pattern Analysis 4. Intelligence Output

[Effect] - Each scroll adds layers to pangolin body

5. PATRIOTIC SECTION

[Background] - Dark with subtle Philippine flag lighting

[Content] - Title: Technology in Service of the Nation - Description: Supporting national protection and justice

[Visual] - Philippine map formed by nodes

[Trigger] - User scrolls into "secure zone"

[Animation] - Pangolin curls into a ball

[Overlay Text] - DEFENSE ACTIVATED

[Effect] - Screen darkens slightly

7. FINAL SECTION (CLOSING)

[Center Text] - PANGOLIN AI

[Subtext] - Quiet in presence. - Powerful in intelligence. - Relentless against organized crime.

[CTA] - [Learn More](#)

UI DESIGN SYSTEM

Colors

- Midnight Blue (#0B1F3A)
- Gold (#C9A227)
- Dark Gray (#111111)

Typography

- Headline: Inter / SF Pro
- Body: Inter

Animations

- GSAP (scroll animations)
 - Three.js (3D pangolin)
 - Framer Motion (micro interactions)
-

UX FLOW SUMMARY

Hero → Story → Capabilities → Interactive AI → National Mission → Security Mode → Closing Impact

GOAL OF DESIGN

- Feel premium (Apple-level)
 - Feel powerful (government authority)
 - Feel modern (AI-driven)
 - Feel patriotic (national service)
-
